

FOR IMMEDIATE RELEASE

The Creek Road Ramblers will perform for Sheldon Schafer, Green Party Candidate for US Congress, 18<sup>th</sup> Congressional District at his Election Night Party, Tuesday, November 4, at the Rhythm Kitchen Music Café, 305 Water Street down town Peoria, beginning at 5:00 pm.

There will be no cover charge. A full cash bar and limited hors d' oeuvres will be available. Donations will be accepted for the Schafer Campaign final advertising expenses.

Sheldon Schafer's Campaign to replace retiring Ray LaHood began in late March, just over 7 months ago. Throughout much of the twenty counties within the 18<sup>th</sup> Congressional District, the Green Party is now much better recognized and respected because of his seven months of effort. Schafer is well known in the Peoria area as Vice President of Education at Lakeview Museum of Arts & Sciences, and a part time Professor at Bradley University, where he teaches astronomy.

The Ramblers are a high powered fusion of bluegrass and modern interpretations, often reflected in their own material. Their music is a fresh combination of traditional and modern, an apt blend with the environmental Green Party.

The next electoral campaign for the Illinois Green Party will be in 2010 and include a Green Party Candidate for Governor. Over 361,000 voters chose the Green's previous gubernatorial Candidate, Rich Whitney of Carbondale, in 2008.
